Dear Mr. Rosenstock

**Re: Freedom of Information Request – SNC Lavalin – Rail Link-
IO File No. IO-09-0010**

We have received your request on September 23, 2009 under the *Freedom of Information and Protection of Privacy Act (FIPPA)* for access to “all contracts or memoranda of understanding between Infrastructure Ontario and SNC Lavalin related to the design, construction and/or operation of the rail link between Union Station and Pearson Airport.”

While there is no responsive record that directly corresponds to your request, we have identified a Memorandum of Understanding between Infrastructure Ontario and the Union Pearson Airlink Group which references this transaction.

We have decided not to provide this record pursuant to section 17(1) of FIPPA which references third party information and section 18(1) of FIPPA which references information that could reasonably prejudice the economic, financial and competitive interests of the Province.

Should you have any questions, please do not hesitate to contact me.

Yours truly
